BAKERZ BITE

Website Project Documentation & Visual Interface Guide

Prepared By: Faizan Ali Ubaid

Project Name: Bakerz Bite Storefront

Target Platform: Web Browser (Responsive)

Academic / Project Event: Aptech eProject 2026

1. Executive Summary

Bakerz Bite is a bakery-themed web application designed to present gourmet baked goods, artisan cakes, cookies, and confectionery products through an attractive digital storefront. Prepared for Aptech eProject, this website serves as a centralized platform for customers to explore bakery offerings, check special deals, view official merchandise, and easily place inquiries. This document details the project structure, functional modules, technical implementation, and guidelines for inserting screenshots of the running interface.

2. Key Objectives

- **Digital Brand Identity:** Establish an elegant, premium, and welcoming online presence for the bakery.
- **User-Friendly Navigation:** Provide clean access to Home, Menu, Offers, Merchandise, Gallery, FAQ, and Contact pages.
- **Visual Product Showcase:** Display high-definition image galleries and category cards for cakes, pastries, cookies, and merchandise.
- **Customer Communication:** Incorporate an interactive FAQ section and direct contact inquiry form with operating details.

3. Technology Stack

Technology / Asset	Implementation Role	Description
HTML5 (index.html)	Structure & Layout	Defines semantic elements, header navigation, product sections, and footer.
CSS3 (css/style.css)	Styling & Responsive UI	Applies bakery color palette, grid layouts, card hover effects, and typography.
Image Assets	Visual Media	High-resolution photos for cakes,

		brownies, pastries, merchandise, and background banners.
Web Browser	Execution Environment	Renders the frontend site across desktop, tablet, and mobile viewports.

4. Visual Evidence & Interface Screenshots

The following subsections contain structured placeholders and descriptions corresponding to each screenshot of the Bakerz Bite user interface. You can insert the image files directly into the formatted placeholder boxes below:

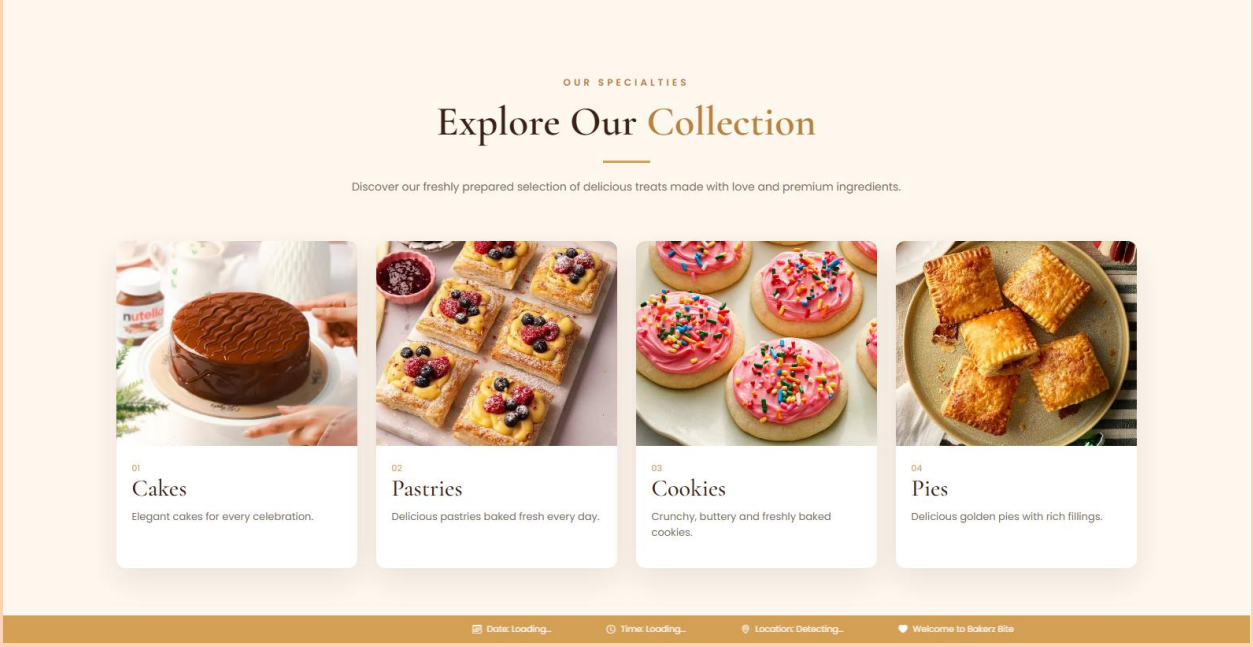

4.1 Hero Header & Landing Page

The hero section features a dark, luxurious bakery background with chocolate cake imagery, main branding, and top navigation bar containing links to Home, Menu, Offers, Merchandise, Gallery, About, FAQ, and Contact.

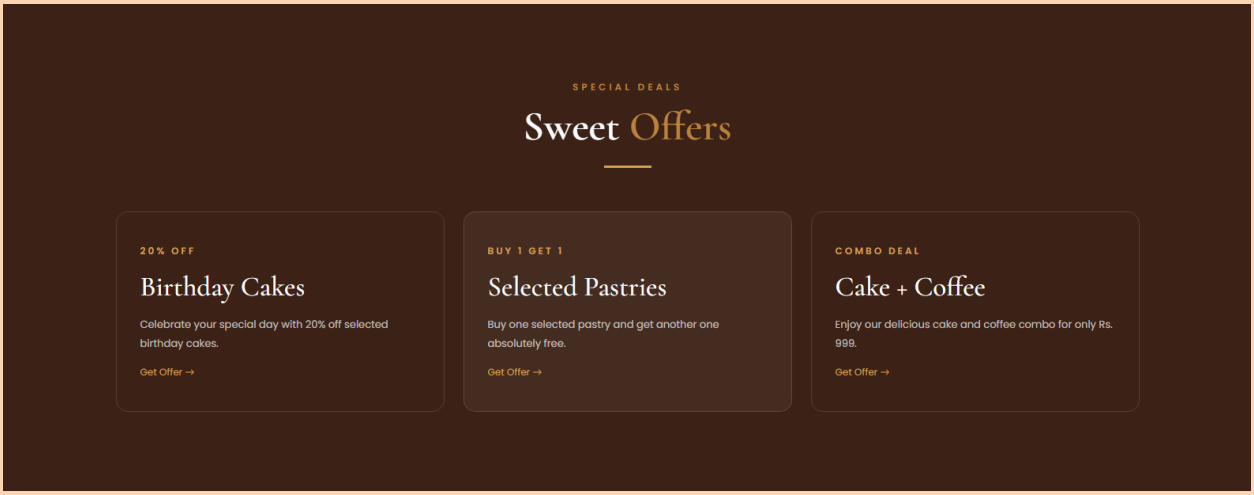

4.2 Specialties Collection Grid

The 'Explore Our Collection' section displays four main categories: Cakes, Pastries, Cookies, and Pies, formatted with clean cards and short descriptions.

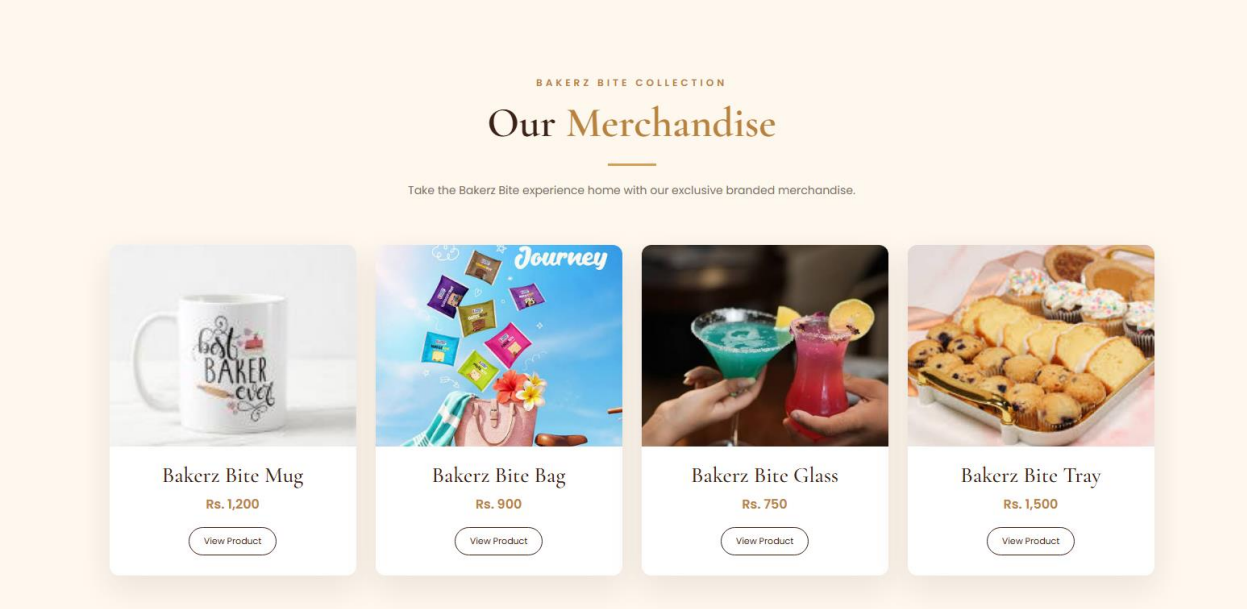

4.3 Special Offers & Deals

The 'Sweet Offers' section displays promotional deal cards including '20% OFF Birthday Cakes', 'BUY 1 GET 1 Selected Pastries', and 'Combo Deal Cake + Coffee'.

4.4 Branded Merchandise Showcase

The 'Our Merchandise' section showcases branded products available for purchase, such as Bakerz Bite Mug (Rs. 1,200), Bag (Rs. 900), Glass (Rs. 750), and Tray (Rs. 1,500).

4.5 Bakery Product Gallery Grid

The 'Bakerz Bite Gallery' section displays a collage of baked goods, including chocolate cakes, cookies, birthday cakes, and pastry displays.

4.6 Our Story & Brand Values

The 'Our Story' section features a bakery glass display cabinet filled with artisan cakes alongside brand commitment highlights like Fresh Ingredients, Handcrafted Products, and Premium Quality.

OUR STORY

Made With Love, Served With A Smile

Bakerz Bite is a premium bakery and café dedicated to creating delicious baked goods using carefully selected ingredients.

From handcrafted cakes and pastries to freshly baked cookies and delicious beverages, every product is prepared with passion, creativity and attention to detail.

- Fresh Ingredients
- Premium Quality
- Handcrafted Products
- Customer Satisfaction

4.7 Frequently Asked Questions (FAQ)

The 'Frequently Asked Questions' section provides an interactive accordion interface addressing custom cakes, home delivery, freshness, and contact methods.

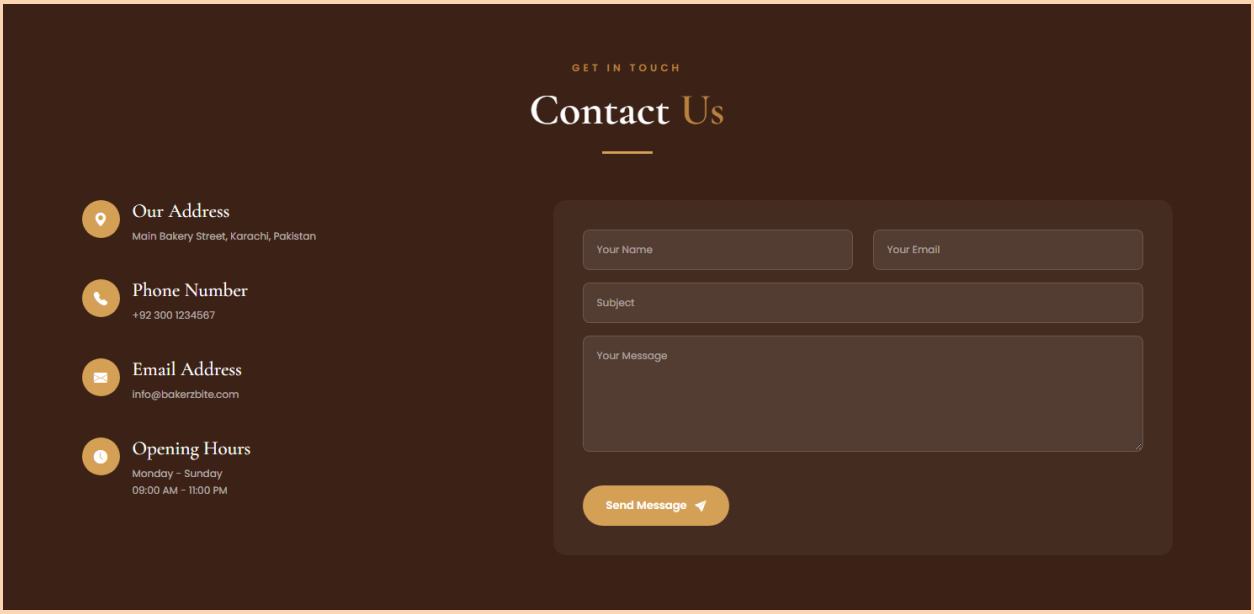

NEED HELP?

Frequently Asked Questions

- Do you offer customized cakes?
  - Yes. Bakerz Bite offers customized cakes for birthdays, weddings and other special occasions.
- Do you provide home delivery?
- Are your products freshly baked?
- How can I contact Bakerz Bite?

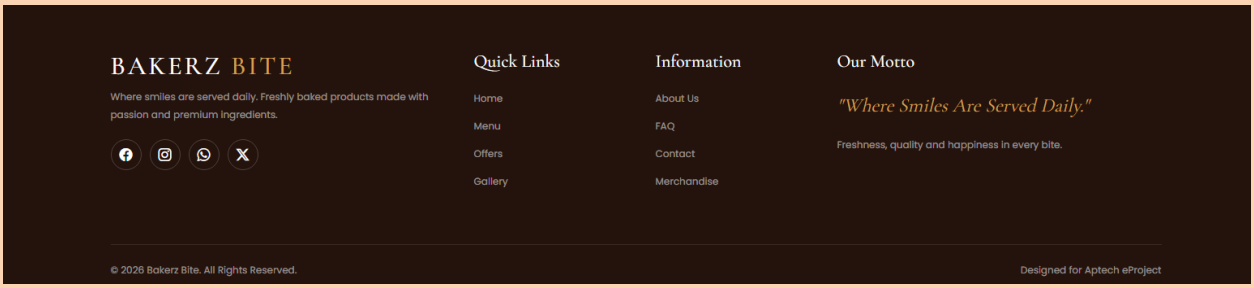

4.8 Contact Us & Inquiry Form

The 'Contact Us' section includes store address (Karachi, Pakistan), phone number (+92 300 1234567), email address, opening hours, and an online message form.

4.9 Footer & Copyright Information

The website footer displays social media icons (Facebook, Instagram, WhatsApp, X), quick links, motto, and copyright note crediting Aptech eProject 2026.

5. Conclusion

The Bakerz Bite web application successfully meets all visual, structural, and promotional goals designed for the Aptech eProject. With a fully structured layout and ready-to-use screenshot sections, this documentation effectively showcases the complete website implementation.
